I hope the small attendance at last Saturday's match does not mean that we have been written off as possible promotion contenders. Whilst it is mathematically possible, we must not give up hope. There is no reason why we should not go on a winning run like we did at the end of last season. Twelve wins in a row should just about see us home.

In my last programme notes I said that the Club would continue its Youth Policy but that does not mean that we are not looking for players who may become available from time to time, especially those in local Non-League soccer.

We have a very good scouting network of people who are constantly giving the Manager information. Since our pre-season tours of Germany and Eire, we have also kept close links going in both these Countries.

Tomorrow we have a game against Tramway Rangers, a Team who were staying in the same Hotel as AFC when we were in Ireland last summer. We extended an invitation to them to visit us if they ever came to England and so it was very pleasing when we received a letter asking if they could play a game at Dean Court on St. Patrick's Day!

Having played against Castlebar on a Sunday when the local Priest blessed the new ground before the game,

we think that Tramway Rangers may have better connections in high places.

RODNEY J. C. BARTON
Chairman

FROM THE BOARDROOM

HARRY'S LINE

Welcome to this afternoon's match with Bolton Wanderers. If there is as much goalmouth action as last weeks game with Lincoln, we should be in for a very exciting 90 minutes. Having scored three goals, hit the woodwork three times and missed a penalty, to have said we could have scored seven times, would have been about right. It was good to see Bill Rafferty back among the goalscorers, his second goal being among the best goals seen here this season. I am sure many of you may have read that Bill nearly left us to join Bristol Rovers but the deal fell through over my not being able to agree terms with their player Steve White who was coming here in exchange for Billy. It was not a case of me wanting to move Bill on but Bill was looking to secure his future as his contract expires at the end of the season. He wanted some guarantees for next year but at this moment in time I did not feel I could do this, but the way he performed on Saturday proved what a marvellous professional he is and a great example to any young player by not only his efforts on the field but the way he conducts his life off the field. Finally, we have been drawn at home in the Freight Rover Trophy to one of the best teams in Division Three Walsall. But with your support, I'm sure we have every chance of making the semi finals.

HARRY REDKNAPP Manager

I would like to thank Roger for giving me the opportunity of telling you about the youth team who this season have performed exceptionally well. Although very disappointed about the result at Watford where we finally went out of the F.A. Youth Cup 2-0, I have been very pleased with the progress the lads are making. In my first season as youth team manager, I have worked the lads very hard indeed, you see as apprentices they have only a maximum of two years and in that time they have to learn and take in every bit of advice that is given to them, they have to work hard every day to improve on their faults and be willing to do extra training whenever they can. If they do not improve sufficiently in this time then they don't make it. It's as simple as that. We have lads from up and down the country so its not just local lads we have here. I believe that you have to do this to run a good youth policy. The local lads we have here have done very well. Billy Clark, David Coleman, Tony White to name but a few so this can only be good for the community that we have talent in this area. Tommy Keane (Ireland) Mark Walshaw (Sheffield) Ricky Bond (London) are lads we have picked up and they too have done well. So lets hope with a lot of hard work that some of the youngsters will break into the first team and I will be the first one to congratulate them.

BIOGRAPHIES

SIMON FARNWORTH (goalkeeper) After a promising and patent apprenticeship, Simon made the most of his break into the Bolton first team last season and missed only ten games.

JOHN PLATT (goalkeeper) Injuries robbed the former Oldham goalkeeper of a regular place last season but John, who joined Bolton on a free transfer from Bury in the summer of 1983, brought valuable experience to the side towards the end of last season.

JIMMY PHILLIPS (defender) The Bolton youngster has made great strides in his bid for first team recognition and deserved the chance of his first full appearance against Bristol Rovers on the opening day of the season.

BRIAN BORROWS (defender) Player of the Year last season, the cultured former Everton full-back made a terrific impression in the Third Division. Can also play in midfield.

RAY DEAKIN (defender) The Bolton skipper showed great determination in regaining his place after losing his form in the middle of last season. The former Everton and Port Vale defender made 47 appearances.

PETER VALENTINE (defender) The former Huddersfield Town defender missed only four games last season and rightly earned the label of "Mr. Consistency" at the heart of the Wanderers defence.

WARREN JOYCE (midfield) Missed only one game in the Bolton midfield last season, the young all-round sportsman has played County Cricket at Colts level and is a Rugby Union Schoolboy tourist.

GRAHAM BELL (midfield) John McGovern turned to the former Oldham and Preston man when he was looking for a touch of experience to add to his midfield last season. Signed on a free transfer from Carlisle United and enjoyed an unbroken 19-match run.

NEIL BERRY (defender) The former Scottish Youth International enjoyed only limited appearances last season but his versatility makes him a valued member of the Bolton squad.

WAYNE FOSTER (forward) Fast and hard-running, the former England Youth player has made more than 80 appearances in Bolton's League side.

SIMON RUDGE (forward) A diminutive striker with a lot of skill and an eye for goal, Simon scored nine goals in 38 games last term.

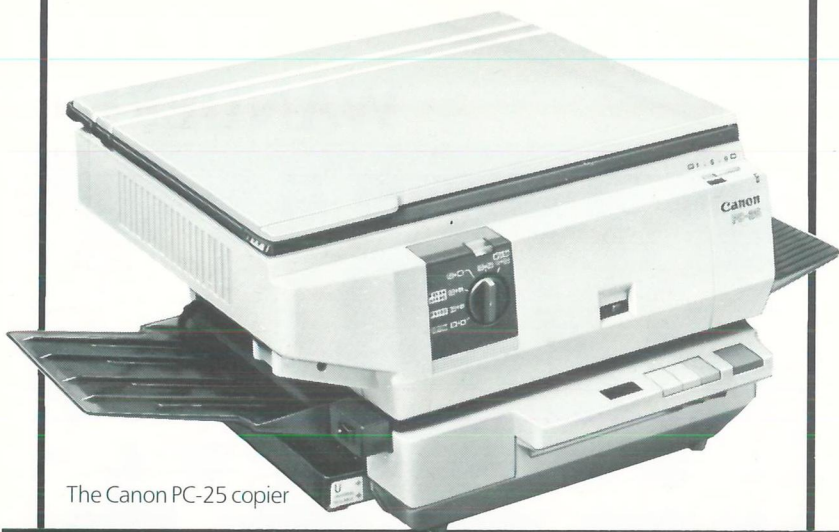

JEFF CHANDLER (forward) Jeff enjoyed his most successful season scoring 17 goals and being Bolton's only ever-present last season. A Republic of Ireland international the former Blackpool player cost Bolton £40,000 when he signed from Leeds in October 1981.

TONY CALDWELL (forward) set the Third Division alight when he scored a Club record five goals in Bolton's 8-1 win over Walsall in September last season, while on part-time terms and still an electrician. The recruit from non-League earned a full-time contract and ended the season top scorer with 22 goals from 37 appearances.

GEORGE OGHANI (forward) Another signing from non-league, George switched from the wing to central striker to earn himself a second chance after John McGovern had tried to sell him back to non-League in the summer.

MARK CAME (defender) The hard-tackling central defender gave up a 9 to 5 job to move into the professional game when he joined Wanderers from non-league Winsford United at the end of last season.

October 15th 1949 saw Boscombe play Millwall at Dean Court watched by 15,258 spectators. They were lying second in the League after thirteen games, having lost only two games. Notts County were top with Notts Forest in third place. Millwall, as always, were difficult opponents but a goal from Cross sealed the points for Boscombe. Jack Fisher's twin brother had an outstanding game for Millwall at Right Back. It was an outstanding match with Referee B. M. Griffiths giving a great display on how to handle two competitive teams.

AROUND THE THIRD

The importance of clubs producing their own players – especially in the lower divisions of the League – has become increasingly vital due to the economic pressures.

There was a time – not all that long ago – when Third Division clubs, including AFC Bournemouth, could pay out big fees for experienced players.

Now most teams are relying a lot on making their own discoveries, and producing good players from raw talent.

Steve Claridge recently joined the ranks of young players given their first League opportunity at Dean Court. And Morgan Lewis, who figured in the squad for last Saturday's match, made his debut in the closing match of the 1983-84 season in Division Three.

The recent success of the Bournemouth "Babes" in their FA Youth Cup run has recalled the club's progress to the semi-final, back in 1968-69.

Several players from that team went on to appear in the senior side, including David Jones, Eddie Rowles, Dennis Longhorn and Chris Foote.

YOUTH SCENE

Our reserves had two very encouraging performances this last two weeks. A 5-1 win over Weymouth in the Western Counties Floodlight League should ensure we win this competition with goals from Shaw, Savage, Schiavi, Graham and an own goal.

The other outstanding win was against a strong Southampton side in the Hampshire Professional Cup Semi-Final. The outcome was a 4-1 win with goals from Russell (2) Shaw and Schiavi. Milton Graham and Chris Shaw were both outstanding.

The date for the final of the Hampshire Professional Cup against Portsmouth has yet to be arranged.

CANON NEWS

"THE PLACE TO BE THIS SUMMER" *says Ruth Lloyd.*

The exciting Summer Season at Rockley Sands Holiday Caravan Estate is now well under way, and everything is set to make it a really bumper year – Rockley Sands has been upgraded, the line-up of performers is absolutely terrific, and large numbers of holidaymakers are now enjoying the best holiday of their lifetime.

A feast of entertainment has been laid on this year, with an outstanding line-up of artistes appearing in the Palladium Theatre to capacity audiences of over 1,000. There are also the late, late nights with dancing until 2.00 a.m., and there are competitions, fun nights, discos and much more, taking place in the various venues which Rockley has to offer.

A great innovation this year has been the weekly Soccer Clinics with the AFC Bournemouth team, open to all young holiday-makers, and guess who has just been made a vice-president of the Club!!

The completely refurbished Rockley Arms Pub is now one of the most attractive bars probably anywhere in the country, and there are excellent dining facilities from full meals in a relaxed atmosphere to quick snacks, home-made fare and take-aways.

Rockley Sands is set in acres of open space, right on the edge of Poole Harbour and with views to the beautiful Purbecks.

There is plenty to do for everyone, including cabaret and dancing, an amusement centre and bingo, a full size heated pool, a children's heated pool, and adventure playground, motor and pedal go-carts and crazy golf. There are shops, a launderette, boating, fishing and water skiing and, most important of all, freedom to do what YOU want.
